

CAM technician for series and single part production in metal machining (m/f/d)

COMMITTED TO THE SKY - The passion to go beyond existing horizons defines our company. Innovative lightweight solutions for the aerospace industry are and will remain our core business. We find new ways and solutions for the fields of Aviation, Urban Air Mobility and Space through our commitment and competencies. FACC offers both career starters and people with professional experience varied and exciting positions.

Your responsibilities:

- ✈ Creation of CNC programs with a corresponding CAM system, as well as the associated documentation
- ✈ Definition of the machining strategy for new aluminium components, taking component tolerances, component properties and subsequent processes into account
- ✈ Tool and chip removal selection
- ✈ Collision check of the created CAM data
- ✈ Initial equipping of the systems
- ✈ Optimization of the NC data up to series readiness
- ✈ Internal coordination with production and project management
- ✈ Implementation of internal operator training courses

Your profile:

- ✈ Technical training (apprenticeship as toolmaker or machine tool technician, foreman or master craftsman, HTL in the field of mechanical engineering)
- ✈ At least 2 years of relevant professional experience in the field of machining production
- ✈ Manufacturing knowledge in the 5-axis area
- ✈ Experience in CAM programming
- ✈ Good English and IT skills (MS Office)
- ✈ High problem awareness and good coordination skills
- ✈ Happy Birthday: a free day for your birthday
- ✈ FACC Bonuscard, many discounts and offers in regional stores
- ✈ Year-round childcare possibility
- ✈ Firm internal health program containing various activities and programs to promote health
- ✈ Good knowledge of German

Advantageous:

- ✈ CAD- and SAP-knowledge

We offer:

- ✈ Highly flexible work times
- ✈ Happy Birthday: a free day for your birthday
- ✈ Company canteen as well as lunch allowance
- ✈ Strong and steadily growing company
- ✈ Diverse and international work environment
- ✈ Various regular further education and training

- ✈ Highly flexible work times
- ✈ FACC Job Rad: Lease my bike
- ✈ Smart mobility: e-cars for carpooling
- ✈ Crew events/Team events
- ✈ FACC Bonuscard, many discounts and offers in regional stores
- ✈ Year-round childcare possibility
- ✈ Firm internal health program containing various activities and programs to promote health

If you want to make a difference in your day-to-day work as well as take part in our success, then we are looking forward to your meaningful job application, preferably by online form.

According to the GBG, we are referring to ladies, gentlemen and divers.

The minimum collective agreement salary (KV Holverarbeitende Industrie) for this position is EUR 28.985,74 annually. The actual monthly salary will depend on your qualification und experience. Therefore, together with you, we would like to adjust it accordingly.
